

Scholar Indexing Society is growing faster than ever before, and we need your help. We build and maintain all our own systems rather than contracting them out, and we do this without charging for access, selling user data, or running ads. Instead, the Scholar Indexing Society (which runs this project) depends on donations to fund infrastructure needs. We'd be deeply grateful if you'd join the one in a thousand users that support us financially.

be put to good use. Access to knowledge is more crucial than ever so if you find all these bits and bytes useful, please pitch in.
